

Fulfillment Policy

Below is the process of receiving, packaging and delivering orders for products purchased on our website.

1. Customer visits website and enters a delivery address.
2. Customer shops from a live feed of inventory (liquor, beer, wine, champagne, snacks, etc.) via a standard e-commerce flow.
3. Customer adds to carts, selects delivery time, and performs a checkout
4. A confirmation text message and an email receipt are sent to the customer
5. Store gets notified via iPad, Product is packaged and delivered to customer by store drivers
